FCS INTERNATIONAL PRESIDENT

Dear Fellow Rotarians, dear cyclists, dear friends and guests.

Welcome to these 4-days organized by our friends Cycling to Serve Belgium with its National Representative Danny Hellinckx. When the project of this organization sprouted, we were all excited by the idea. Today we find ourselves in these lands on the borders of Flanders and Hainaut which have generated legends of cycling and cyclists. The names of the villages along the routes, the name of the passages and hills thrill every cycling fan across the Globe.

The men and women who helped to forge this legend of hard work, self-denial, of resistance and humility are reminiscent of those women and men who, throughout the year, work in their Rotary clubs, with selflessness and courage to make a better world.

Our Rotary Fellowship Cycling to Serve continues to invest in multiple social projects everywhere in the world and is predominant in supporting people. Cycling to Serve is particularly proud and happy to be able to invite you in this Belgium full of history and tradition, welcoming, festive and altruistic.

I want to thank the organizing team, and also the partners, sponsors and friends who allow us to carry out all these beautiful social projects.

I wish to all of us unforgettable
4-Days !!!!

Jean-Luc Berger
FCS International President
Rotaryclub Aix en Provence (France)

FCS BELGIUM REPRESENTATIVE

Dear friends,

Under the umbrella of the Rotary International Fellowship Cycling to Serve the FCS Belgium organizes the 2019 4-days event in Belgium, Oudenaarde.

We thankful welcome you, Rotarians, partners, family and friends on the roads that breath cycling. You may expect regions where real Flandriens were born, where cycling history has been written in cobblestones, sweat has been converted into honor as my friend Robert says: 'Pain is temporary, pride is for ever'.

From Wednesday afternoon, May 22nd, till Sunday morning, May, 26th we propose a program for cycling and culture activities covered with the typical, splendid, top food and drink culture of the Belgian people! Placing the museum of the Tour of Flanders in the central of the event you will experience a 4-days you will not forget soon!

The FCS gala dinner on Saturday evening, in the renomated Salons Mantovani, will bring some additional texture to the event and will put the Belgian gastronomy in its spotlights it deserves.

**Many thanks to all of you who made this
adventure possible!
Be the inspiration!**

Danny Hellinckx
FCS representative Belgium,
Rc Geraardsbergen – Past-President

DISTRICT GOVERNOR 1620

Dear Rotarians and friends,

Rotary Fellowships consist of members who share a common interest in recreational activities, sports, hobbies, or professions. These groups help expand skills, foster vocational development, and enhance the Rotary experience by exploring interests while developing connections around the world.

Welcome to the 'Rotary Fellowship Cycling to serve' in Oudenaarde, the hart of our Flemish Ardennes.

Congratulations to our friend Danny and his committee for this beautiful organization!

Our Tour of Flanders Center is the place to be to relive the Tour of Flanders heroism.
May these 4-days bring you friendship, joy and happiness.

Gilbert Denys
District Governor 1620

DISTRICT GOVERNOR 2170

Dear Rotary and cycling friends,

It is for our District 2170 a great honor that our friend Danny Hellinckx, member of Rotary Club Geraardsbergen and representative for Belgium of the "Rotary International Fellowship Cycling to Serve" organizes the 2019 4-Days from 23 to 26 May.

We warmly welcome this fantastic organization in the wonderful area of Geraardsbergen and Oudenaarde, where cycling history has been written.

The museum of the Tour of Flanders in Oudenaarde and all the typical Belgian food and drinks will surprise you.

Congratulations to the more than 100 participants to be part of it.
Many thanks to Danny and his friends for the organization.
Be the inspiration and enjoy.

With friendship,

Marc Bosmans
District Governor 2170

ROTARYCLUB GERAARDSBERGEN

Dear Fellow Rotarians, dear cyclists, dear friends and guests

On behalf of Rotaryclub Geraardsbergen, founded in 1993 and counting 34 members, I would like to welcome you and wish you a very pleasant stay in Belgium.

As a business man, as well as in sports, I am a great believer in teamwork. I learned that teamwork is absolutely essential to a team's success. An individual star will not assure victory unless there is coordination, cooperation and a team spirit among the players. So is teamwork vital to Rotary. Rotary cannot achieve complete success without the participation and cooperation of all members of the team.

The spirit of Rotary is not exclusive; it expands. It is not local, it is universal. It is the wish to understand and be understood, to see skills rather than faults in others, to find what we have in common rather than what divides us. It is that unity of desire and a unity of purpose to serve society and to serve mankind ... a unity in diversity that binds us Rotarians together.

Through service, we become more tolerant for our differences and more grateful for the people in our lives. Our sense of gratitude drives us to understand others better and to see the good in every human being.

Through our Rotary service to humanity, let us make a difference to the world around us, which in itself will be an inspiration, not just to our members, but to the world and communities involved.

Be the Inspiration ... because together we can, and we will inspire the world !

Sincerely Yours,

Bernard Carion
President

Rotaryclub Geraardsbergen - D2170

ROTARYCLUB LESSINES

Dear Rotarians members of the International Fellowship Cycling to serve.

On behalf of my club, I'm very proud and happy to welcome you in the region and city of Lessines

Our club is mixed and counts 29 members. It was funded in 1994.

The hospital Notre Dame à la Rose of which we are very proud will make you discover how people were treated and cured in the past. And what you will see and hear is, believe me, amazing!

I wish you all a great stay in Belgium and more specifically in Lessines.

Long life to cycling and to the International Fellowship Cycling to serve!

Long life to the Rotary International!

With friendship,

Chers Rotariens amis du cyclisme,

Je suis très heureux de vous souhaiter, au nom de notre club, la bienvenue dans notre région et commune de Lessines.

Notre club est mixte et compte 29 membres. Il a été fondé en 1994.

L'hôpital Notre Dame à La Rose dont nous ne sommes pas peu fiers va vous faire découvrir comment on soignait les gens dans le temps. Et ce que vous allez découvrir, croyez-moi, est vraiment étonnant.

Je vous souhaite un excellent séjour en Belgique et plus spécialement dans notre région de Lessines.

Vive le sport et le cyclisme! Vive le Rotary International!

HOOFDZAAK ER IS HOOP / ESPOIRE EN TÊTE

Actie gestart in 2005 in Frankrijk en ondertussen ook actief in Luxemburg en België

Action lancée en 2005 en France et maintenant également active au Luxembourg et en Belgique

Elk jaar, in gans België, in meer dan 27 zalen, beantwoorden ongeveer 9000 toeschouwers de oproep van de Belgische Rotary Clubs om deel te nemen aan een avant-première van een grote film ten voordele van het fundamentele onderzoek naar neurodegeneratieve ziektes

Chaque année, dans plus de 27 salles, dans toute la Belgique, environ 9 000 spectateurs répondent à la demande des Rotary clubs belges de participer à l'avant-première d'un grand film en faveur de la recherche fondamentale sur les maladies neurodégénératives

Rotary steunt onderzoek universiteiten

Alle opbrengsten worden integraal verdeelt over de studenten die doctoreren rond een neurodegeneratieve ziektes. Alle betrokken universiteiten doen mee aan het project. Uit de jaarlijkse inzendingen selecteert een comité van professoren die doctoraatstudies die het meest aansluiten op het onderzoek dat Rotary wil steunen.

Tous les bénéfices sont distribués de manière intégrale aux étudiants ayant un doctorat en maladies neurodégénératives. Toutes les universités impliquées participent au projet. Sur base des soumissions annuelles, un comité de professeurs sélectionne les études de doctorats qui correspondent le mieux aux recherches que le Rotary souhaite soutenir

G-VOETBAL, IEDEREEN KAN VOETBALLEN

Het G-voetbal is in Nederland en België een niveau in het voetbal voor mensen met een lichamelijke beperking of verstandelijke beperking. In dit niveau is, in tegenstelling tot andere niveaus in het voetbal, meestal geen leeftijdsgrens gesteld. Wel bestaan er gesplitste afdelingen tot 16 jaar en voor volwassenen.

Gezien er in de regio Geraardsbergen geen aanbod was om kinderen met een fysieke en mentale beperking te laten voetballen is er gezocht naar personen die geïnteresseerd waren in dit project.

Onze leuze was "Iedereen kan voetballen" en er is in de eerste plaats gedacht aan de kinderen met een fysiek en mentale beperking tussen 6 jaar en 13 jaar.

Op deze basis is er op de terreinen van Jong Geraardsbergen de opstart gedaan voor de jongsten en bij de aanvang waren er reeds een viertal geïnteresseerden. Gaandeweg hebben ook andere ouders hun kinderen, die verder van huis voetballen, hun weg naar onze club gevonden.

Gezien er in Geraardsbergen een groot potentieel aanwezig is in de diverse scholen voor kinderen met een beperking denken wij dit tot een succes te kunnen maken voor onze regio.

Intussen zijn er regelmatig toernooien waaraan er is deelgenomen en hadden zij ook een uitrusting nodig. Deze uitrusting is door Rc Geraardsbergen aangeschaft!

Iedereen kan voetballen! G-voetbal

Dirk Van Huffel

President 2019-2020

END OF POLIO

Eindfase van de strijd tegen polio

Polio is een virale ziekte waar voornamelijk kinderen het slachtoffer van zijn, met verlamingsverschijnselen tot gevolg. De ziekte is niet te genezen maar wel te vermijden.

Daarom besloot Rotary International om een grote inentingscampagne te starten op de Filipijnen. Dat is exact 40 jaar geleden. Het succes aldaar vertaalde zich in de oprichting van PolioPlus in 1985 en het Wereldwijde initiatief GPEI in 1988. Toen werden er wereldwijd ongeveer 350 000 kinderen getroffen met verlamming, verspreid over 125 endemische landen. 2018 werd afgesloten met 33 gevallen van wilde poliobesmetting in slechts 2 landen! Dankzij de geleverde inspanningen is het aantal gevallen met 99,9% gedaald.

Zonder oraal of geïnjecteerd vaccin hadden we vandaag meer dan 15 miljoen personen met verlammingen. Dankzij Rotary International en dankzij de vele sponsors en giften. Want de strijd kost tot op heden 15 miljard USD. Nog tot 2020 verdriedubbelt de Bill & Melinda Gates Foundation elke storting die wij Rotariërs doen. 1 EUR wordt zo 3 EUR.

PolioPlus D2170 dankt dan ook de Fellowship Cycling to Serve Belgium voor haar gulle gift.

Final phase of the fight against polio

Polio is a viral disease that primarily affects children, resulting in paralysis. The disease cannot be cured but can be avoided.

Rotary International therefore decided to launch a major vaccination campaign in the Philippines. That is exactly 40 years ago. The success resulted in the establishment of PolioPlus in 1985 and the Global Polio Eradication Initiative in 1988, when around 350,000 children worldwide were paralyzed, in 125 endemic countries. 2018 ended with 33 cases of wild polio infection in just 2 countries! Thanks to the efforts made, the number of cases has dropped with 99.9%.

Without oral or injected vaccine, today we would have had more than 15 million people with paralysis. Thanks to Rotary International, and thanks to the many sponsors and gifts. To date the fight costs 15 billion USD. Until 2020, the Bill & Melinda Gates Foundation triples every deposit that we as Rotarians make. 1 EUR becomes 3 EUR. PolioPlus D2170 therefore thanks the Fellowship Cycling to Serve Belgium for its generous gift.

Phase finale de la lutte contre la polio

La poliomyélite est une maladie virale qui affecte principalement les enfants, entraînant la paralysie. La maladie ne peut être guérie mais peut être évitée.

Le Rotary International a donc décidé de lancer une grande campagne de vaccination aux Philippines. C'est il y a exactement 40 ans. Grâce à son succès, PolioPlus a été fondée en 1985 et l'initiative mondiale GPEI en 1988. À cette époque, environ 350 000 enfants dans le monde étaient atteints de paralysie, répartis dans 125 pays d'endémie. L'année 2018 s'est terminée avec 33 cas d'infection sauvage par la polio dans seulement 2 pays! Grâce aux efforts déployés, le nombre de cas a diminué de 99,9%.

Sans vaccin oral ou injecté, nous avons aujourd'hui plus de 15 millions de personnes paralysées. Merci au Rotary International et merci aux nombreux sponsors et dons. Parce que le combat coûte 15 milliards USD à ce jour. Jusqu'en 2020, la Fondation Bill & Melinda Gates triple chaque dépôt effectué par les Rotariens. 1 EUR devient 3 EUR. PolioPlus D2170 remercie donc la FCS Belgium pour son généreux cadeau
